

To Community User Groups:

The Corporation of Delta has a comprehensive AED (Automatic External Defibrillator) Program in place. The AED units have been placed in *alarmed cabinets* in our recreation facility for your accessibility and use.

Please familiarize yourself with the AED locations at the following sites:

- |  |   |
|--|---|
| <b>South Delta Recreation Centre</b>       | - Opposite the Customer Service Office  |
| <b>Winskill Aquatic and Fitness Centre</b> | - Kiddy corner to the Customer Service Office                                 |
| <b>Ladner Leisure Centre</b>               | - Main lobby by the entrance doors  |
| <b>Tilbury Arena</b>                       | - Second floor, between the washrooms (visible from the ice when you look up) |
| <b>North Delta Recreation Centre</b>       | - Main lobby by the concession  |

In the event of an emergency, please follow these steps:

1. Call 9 1 1
2. Identify First Aid Responders
3. Call the facility staff at:

| <b>Tilbury Arena</b>                       | - 604.841.0958                            |
| <b>Ladner Leisure Centre</b>               | - 604.946.3310                            |
| <b>North Delta Recreation Centre</b>       | - 604.841.9250 days, 604.841.9524 aft/eve |

It is recommended that all user groups have an orientation on the use of an AED. This orientation is approximately ½ hour in length and we will provide the orientation to your club. Should your club be interested in an AED orientation session, please contact Louise M. Bishoff at 604.952.3077.

Should you have any questions or concerns please contact either Pat Ansell or Louise M. Bishoff.

Respectfully submitted:
